

I HAVEN'T WRITTEN THIS YET...

TONI SCORSESE

It's poignant
but I must say this to you

And the universe
callous son-of-a-bitch
is perverse in its timing

There is no reason I can make for why

In design it is not random
It is cruel
It is final

There MUST be a lesson

How do I deliver it to you?
Myself?

When I write this
I shall weep
