

FORGET THE THUNDER

TONI SCORSESE

I don't need it to be lightening for you.
I need it to be real for you. Something you trust; something you wish to embrace.

I don't need it to be certain for you.
I need it to be true for you. Something you welcome; something you wish to nurture.

I don't need it to be familiar for you.
I just need it to be honest for you. Something you acknowledge; something you accept as new.

This is your life now. I need you to live it; with me.
