

# TIME MACHINE...

TONI SCORSESE

## **Winter**

confident and mission bound  
an entire life to explore  
lessons to learn  
books to read  
trials to run  
cap and gown to earn

the cramoisi and the coquette  
belaying the promise of completion  
bid adieu on the blacktop

## **Interim**

ten times three  
ambling in fits, starts  
losing the knowledge of youth  
fading to paler versions  
wondering always  
wishing a return

the cramoisi and the coquette  
regretting the delay of completion  
endured the fait accompli

## **Winter**

waters had run still, deep  
often stagnant  
at times putrid  
till turn of a new year  
and brave shot at grabbing  
the brass ring presented

the cramoisi and the coquette  
confident on journey of discovery  
resurrect those youngsters, cercle complet
