Palm Beach Indivisibles

We are a non-partisan group of activists whose primary goal is to protect what makes America great. As Palm Beach Indivisibles, we use our strategic Winter White House advantage to defend, resist and persist at all levels of the local, state and national government.

Our Guiding Principles

- Defend, Resist, Persist
- Enduring Presence
- Grow, Lead, Persist
- Be Your Own

Pridefest of Lake Worth and the Palm beaches attracts more than 20,000 attendees annually throughout South Florida and the Treasure Coast. The event features a parade, live performances and entertainment for all ages.
