

LIKE AN *ALLY MCBEAL BABY*

TONI SCORSESE

A day when sunshine imbues the air.
You decide to skip that cup of coffee.
The kind of morning your PJs get to stay up late.

You prance around the house like an *Ally McBeal Baby*.

This afternoon is lazy, crazy, and stays up late;
With brownies and potato chips for dinner.

And when the perfect, balmy twilight wakes up late,
The **only** *Overkill* is Men at Work's –
INCESSANTLY – ha ha ha!

Let's dance around in our socks with the dog like no one is watching.
