

# THE OTHER HEART

TONI SCORSESE

He goes by a surfeit of pet-names  
Capilli, Cheeky-Peeks, Copy-Pock, Monkey-Punk, Keepies...more

Prone to fall in love; he's the 14<sup>th</sup> beat with whom I've kept time

Sure, his knees are knocking  
corneas are clouding  
breath is not always sweet  
and often a bit of a boss-man

But he is true, loyal  
wide eyes bore into me  
greet with an almost psychotic smile  
hangs on my every word  
and is happiest to slumber next to me

My sweetheart, Duncan – give Mommy a kiss
